

Here I Am

Here are some ideas of how to take part. Choose one or make up your own.
Be creative with whatever materials you have to hand. All contributions are welcome!

We invite you to **Imagine...**

Yourself, your life, the future you want, the past you remember
Your home, the place you live, the place you're from, the home you want
Your people, your family, community, strangers, new friends, the wider world

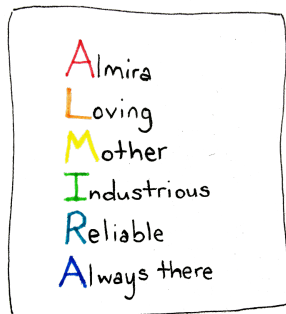

- Make a picture of yourself

*A young man travelled a long way
To start a new life in the UK
He arrived in the valley
Where everyone's pally
And made friends on the very first day.*

- Write a rhyming poem or rap about where you're from

- Film yourself doing something you love

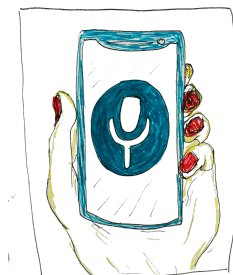

- Write a poem using the letters of your name

- Make a collage of the place you want to live

- Sing a song from your community

- Record a memory or dreams for the future

Send your creation before the **5th June** by text or email to join thousands of other contributions from across our valley.

Whatsapp / text: 07914863892 or email: info@theartworks.org.uk with your name, age & postcode

Your contributions will become part of a series of collective artworks shared during **Refugee Week 15-20 June**
